

## **AVAILABILITY & SUPERCEURE OF THE TURBOCHARGER VALVES & CONTROLS SERVICE & OVERHAUL MANUAL**

Kelly Aerospace Power Systems is pleased to announce that it has issued a new Turbocharger Valves & Controls Service & Overhaul Manual (P/N 400999-0000) which supercedes several Garrett/Honeywell Manuals. The new manual contains service and overhaul instructions, calibration data, test box operation and an illustrated parts catalog. This manual supercedes any and all revisions of the following Honeywell, Garrett/AirResearch Manuals: TP20-0129 overhaul and service instructions, TP15-0104-1 calibration and test box instructions, and TP30-4003 Illustrated Parts Catalog.

This manual contains select NEW and PMA'd Kelly Aerospace Power Systems turbocharger valves and controllers and is published for the information and guidance of all personnel responsible for overhauling, maintaining, and testing of turbocharging system valves and controls.

Manual P/N 400999-0000 may be purchased directly through Kelly Aerospace's customer service department. Contact Customer Service at (334) 386-5410 (FAX) for price, availability and orders..
